

CYP feedback on QA

Feedback was gathered in a range of ways. This included: writing, drawing, verbally, dotmocracy, games

- 59 CYP answered questions for us.
- We didn't show them any official paperwork.
- We asked the following questions in some workshops. In some we only asked the first question.
 1. What does a good quality experience look like?
 2. What skills do I need for life?
 3. What will you need to help you have a good life?
 4. What will get in the way of having a good life?
